MEMORANDUM FOR ALMAJCOM-FOA-DRU/CC
DISTRIBUTION C

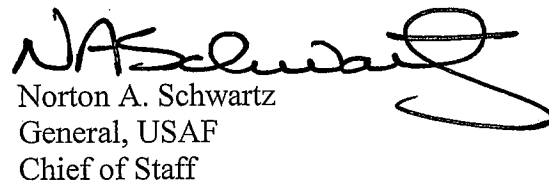

SUBJECT: 2011 Combined Federal Campaign (CFC)

This September begins the Golden Anniversary year for the Combined Federal Campaign. For 50 years, federal government employees have answered the call of many great causes in support of local health, welfare, and service agencies.

Since its first year in 1961, when just four groups of charities participated, our military and civilian personnel have continuously demonstrated both compassion and involvement through their donations. Last year, we raised \$281.5 million, setting the stage for this year's campaign.

CFC gives all of us the opportunity to make a difference. We ask that you give thoughtful consideration to supporting the 2011 Combined Federal Campaign.
