More than one billion people (nearly 1/6th of the world's population) suffer from chronic hunger and more than 55 million children (10% of the world's children) suffer from acute malnutrition (USAID).

A donation of \$10 per month can help food banks serve more than 1,500 meals for people in need.

A onetime donation of \$20 can provide a flock of chicks to a needy family. The protein in just one egg is a nutritious gift for a hungry child. A hen can lay up to 200 eggs a year—plenty to eat, share or sell to provide a source of income for the family.
