Week 3 Helpful Hints:

- 1—Follow-up with potential contributors who have been given the 100% informed opportunity to give but have not completed their pledge.
- 2—Always carry a 50th anniversary coin to show potential contributors what they receive if they donate \$120.00 or more (\$10.00/month).
- 3—Ask leadership to post or e-mail CFC-O messages supporting you and the AOR. Refer to the Publicity Kit at www.cfcoverseas.org for ideas.

More than one billion people (1/6th of the world's population) suffer from chronic hunger.

- A donation of \$10.00 per month can help food banks serve more than 1,500 meals for people in need.
